## What's a bank account at the Midland got to offer YOU?

### 1 It will help you to save money — safely

It's surprising how fast your savings can grow in a bank account — if you try! Your money is *absolutely safe* — and if you have a Deposit Account or a Savings Account, the Midland pays you interest on it all the time it's there.

### 2 You can start with as little as £1

Actually there's no such thing as a 'minimum deposit' at the Midland. You start your account with as much (or as little) as you like. Many people begin with a Personal Cheque Account, which provides a complete cheque-book service, at an inclusive cost of only 6d. a cheque.

### 3 Cheques you receive can go straight into your account

So, of course, can cash, postal orders, and — if you wish — your wages or salary (your employer can arrange this if you ask him).

### 4 You can pay bills more easily — by cheque

No more going around counting out the cash, when you have an account at the Midland. You just write out cheques and send them off.

### 5 You can count on help with *all* money matters

Advice on personal income tax. A 'banker's reference' when you need it. Travellers' cheques when you go on holiday. These are just some of the ways the Midland can help you.

### 6 There's a Midland Bank branch near your home

The Midland has *more* branches than any other bank. So there's almost certain to be one near your home — and probably one near your work, too. Call in and see us next time you pass.
