GF

AN ANNOUNCEMENT...

As **Britannia Iron & Steel Works Limited**, we have been manufacturing high quality **GF** malleable iron products for nearly 40 years.

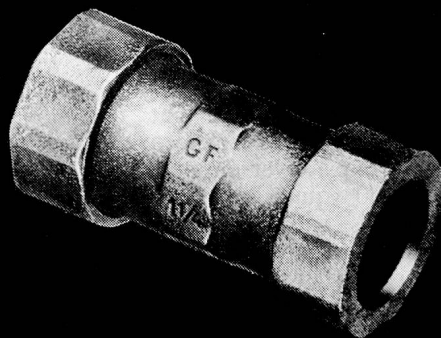

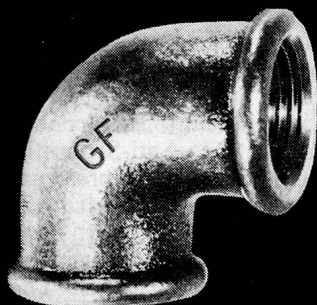

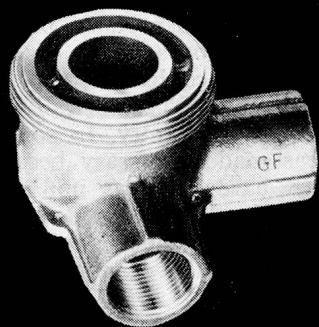

The company's history is one of continuous progress in the development of new ideas and new techniques. Today, our automatic foundry is one of the most modern in Europe.

Now, in order to reflect more accurately the nature of our products, and to identify ourselves more closely with the George Fischer Group of which we are part and from which we derive not only our trade mark **GF** but also the accumulated 'know-how' of over a century of malleable ironfounding, we have changed our name to

GEORGE FISCHER CASTINGS LIMITED

GF

malleable iron tube fittings
Johnson flexible couplings
and clamps
malleable iron castings

our address is unchanged...

Britannia Works, Kempston Road, Bedford, England Tel: Bedford (0234) 55291 Telex: 82163
