# The International Bank for International People.

Lloyds & Bolsa International Bank is strongly established in Western Europe and the Western Hemisphere.

LBI has a wide direct representation in the EEC and Switzerland, and is also the only British bank with a branch network covering virtually the whole of Latin America.

LBI plays an important role in the Eurocurrency market and has arranged

finance for many major projects world wide.

The LBI Group, through its branches, associates and representatives in New York, Nassau, Paris, Frankfurt, Brussels, Amsterdam, and Zürich, has a direct access to principal sources of foreign currencies in all the world's great financial centres.

To these established features should be added LBI's experience and reputation gained in Eastern Europe, Japan, the Middle

East and Australasia, and the Bank's valuable links with Lloyds Bank Limited, one of Britain's "big four" banks.

The Bank's multi-currency capability, its skill in tailoring the use of funds to meet specific requirements, its spread of branches and representatives throughout the world, all combine to make LBI of essential interest to any business operating across national frontiers.
