Double your storage capacity with Compacrow.

Space costs money—and Compacrow helps to make your space go twice as far! Because this is *sliding* storage. You don't waste space with unnecessary aisles... you simply slide the cabinets along to get access to the one you need. And they really *do* slide, thanks to low friction wheels and precision-laid track. Or you can have power operation — 20,000 lb

units glide open like silk at the touch of a switch.

The list of industries and services using Compacrow is almost endless... International manufacturing companies, Banks, Insurance Companies, Hospitals, Libraries... in fact *any* organisation needing fast access to a large volume of records.
