As you can see above at a glance, whether or not you are an astrologer, the stars in the Far East favour Swissair. And all those who fly by Swissair.

By way of reassurance it should be said that the times in the Swissair timetable are

our constellation ascendant.

not set by the stars, but by Swiss watches
(which really dependable stars themselves
are guided by, we suspect).

Your IATA travel agent or Swissair will gladly
give you all the details you need. For instance
the best time to visit Switzerland.
