### PRIVATE SCHOOL ADVISORY BUREAU

Lausanne  
Tel 021/22 77 71 Telex 24390

Under the patronage of the  
Association of private schools  
(AVDEP) and the Tourist Office  
of Lake of Geneva Region (OTV)

EVERY summer young guests  
from all parts of the world come  
to Switzerland to improve their  
knowledge of foreign languages.

All these visitors have a  
common purpose - to further  
their education in a most friendly  
and invigorating atmosphere and  
at the same time to take  
advantage of the numerous  
opportunities for active sports  
and relaxing hobbies that Switzer-  
land offers.

The country has a long tradi-  
tion of expertise in the organisa-  
tion of boarding schools and

other educational institutions.

Both traditional and modern  
methods of teaching are applied,  
including the use of language  
laboratories. After a few audio-  
visual lessons, students soon dis-  
cover that languages can be fun.

The lessons are usually for two  
or three hours in the morning,  
leaving the afternoon free for  
sports such as swimming, sailing,  
water ski-ing, riding and tennis.

At weekends the students can  
go on walking tours, mountain  
climbing and camping or visiting  
cultural interests in the area.
