# Take a turn at the Swiss Roll

**ANSWERS** to the clues should be entered with the first letter in the numbered space indicated by the clue number and then proceeding outwards. Words overlap by one or more letters so that the

final letter or letters of one word is the beginning of the next word. Hidden in the REVERSE reading are the names of three places in Switzerland. What are they?

## CLUES

- |                                    |                                                         |
|------------------------------------|---------------------------------------------------------|
| 1 Stern                            | 38 Poisonous alkaloid base obtained from tobacco        |
| 7 Island where Napoleon was exiled | 44 The beverage of the gods                             |
| 10 Assists                         | 47 Having lost lustre                                   |
| 13 Void of regard to others        | 54 Newspaper chief                                      |
| 18 Fired by the artillery          | 59 Negligent                                            |
| 22 Oil                             | 64 Cosy                                                 |
| 27 A class or order                | 67 Aquatic bird with long beak, short wings and no tail |
| 34 Long for                        | 70 War-like                                             |
|                                    | 77 Snakes                                               |

The hidden words in the reverse reading of last month's puzzle were Davos from 8 back to 4, Rossa from 39 back to 35, Wassen from 73 back to 68.
