## 90th Anniversary of Martigny Châtelard

On the weekend 19/20 August the friends of the Martigny-Châtelard ran special services from the goods depot at Martigny past the front of the station on to the Martigny line to Vernayaz during both days with ABe4/4 32 with a very old coach, at

the special price of Sfr6 return. The depot was open to the public to look at the latest driving trailer and other stock was exhibited both inside and outside the depot.

On the 22nd August the depot saw the arrival of

one of the new 2-car sets for through operation to France. It was unfortunately not running, but the interior and driving compartments were finished.
