Verkehrshaus Luzern

7 - 15 October 1995, sees another railway and model exhibition. Full size exhibits are expected from Germany, France, Italy, Austria and Switzerland. there appears to be nothing from the UK; how about a class 92?

However, the UK figures in the prizes for modelmakers one of which is a trophy and a trip to the Railway Museum at York.

Further information, including the model competitions, can be obtained from "Verkehrshaus der Schweiz, Eisenbahn-Modellbau-Tage 95, Lidostrasse 5, CH 6006 Luzern. Tel: 041 31 44 44; Fax 041 31 61 68".

OPPOSITE PAGE:-

Our Vice President, Alan Pike OBE, caught talking to a local gentleman about the two old four wheel, Aigle-Leysin coaches B22 and B23, seen at Barboleusaz, on the BVB line. They are just behind the station, next to the large car park, and are now in use as a model railway museum at Parc Roby Vapeur, where there is a live miniature steam railway (8" approx.) which has a selection of rolling stock, In the summer this is very popular with visitors, to the area, especially the youngsters who enjoy the rides.
