ARTICLES FOR SWISS EXPRESS

For the first time since becoming Editor I am running short of articles. I do have a few up my sleeve but not very many. They are all by the usual suspects to whom I am eternally grateful. Many of you will have been to Switzerland this year and you must have seen something! Put it down on paper and send it in, together with photographs.

Once again I was reduced to a selection of cover pictures that could be counted on one finger. Cover pictures are portrait format and need empty space for the titles and other bits and bobs that go on the front page. If you want to see your picture on the cover then you know what to do!

Details of how to submit, the formats required and anything else are on the inside cover
