SWITZERLAND - CHATEAU D'OEX

Beautiful apartment (sleeps 2) in newly-converted period hotel with superb facilities (indoor pool, fitness room, sauna, laundry room, computer room etc) in Chateau D'Oex, a small winter/summer resort in the Bernese Oberland.

The apartment is a few minutes' walk from the station, a stop on the famous Golden Pass Line between Montreux and Zweisimmen. This makes it an ideal base for exploring a wide variety of main line, narrow gauge and mountain lines in the Lake Geneva, western Rhone Valley and Bernese Oberland areas.

End of an Era

MITV has made the decision to stop selling to individual customers after the 1st September this year, owing to a variety of reasons mostly connected with health problems; they will however be working on new releases to be issued in 2009. This has been a very hard decision for Chris and Sue to make, after almost 19 years of supplying their many customers with a variety of DVDs, videos and other items. They will miss the contact with members and would like to thank everyone who has made this such a pleasure. Their own MITV DVDs and videos will still be available from the Swiss Railway Society Sales, and they will still continue to advertise in the *Swiss Express* to inform members of their full range of titles and new releases when available. They will also be attending the AGM in Derby in March 2009 taking the MITV stand for one last outing and look forward to seeing everyone there.
