1. A Bern to Brig Sunday hiker train at Ausserberg 25 Sept 2011. PHOTO: John Weaver
2. Alan Matthews took this shot of Simplon No 1 on its plinth at Kandersteg. See *Swiss Express* 104 for more about the locomotive.
3. RhB Railcar 55 is now in an advertising livery for Epower. Taken at Alp Grum by Peter Keating.
4. On Saturday 19th November the B-C Museum Railway had its yearly membership Montreux-Zweisimmen-Montreux excursion. This year the B-C's "new" Bernina ABt 4/4 No.35 was used. Beat Feller's photo shows it with a Golden Pass ABt 343 at Zweisimmen.
5. Whilst in Switzerland for the SRS outing, Barry Collin spotted this battered VW parked rather strangely at Steffisburg 1
6. SBB 11184 involved in an accident near Olten on October 6th is seen at Erstfeld (having just arrived going south) on the 27th December. PHOTO: David Jones
7. Heritage railcar Bern Neuenberg (BN) railcar No. 761 in the snow at Brig on the 21st December. PHOTO: David Jones

8. RhB 553 had brought this rake of wagons into Filisur from the Bergun direction. PHOTO: Peter Keating
9. Michael Vyse sent in this photo taken at Pfäffikon SZ on 17th June last year, showing the Stadler double-deck stock on test. Notice the bands of wires placed at the end of the unit. On a return visit at the start of October, the stock had not, to his knowledge, been introduced into revenue-earning service.
10. Estavannens is between Montbovon and Gruyère, on the GFM line of TpF. It is surely Switzerland's worst and most intimidating station. It is a concrete bunker, mostly locked up, with an added concrete room with a hole but no window. It looks like a challenge to vandals, or a civil defence practice building. PHOTO: Bryan Stone
11. Having just celebrated its 90th birthday, SBB Be 4/4 12320 is seen on a special on 26 Nov 2011. PHOTO: Heinz Russenberger
12. Andrew Muff spent a few days before Christmas at the Hotel Frohsinn in Erstfeld and took this snowy view from a hotel window.
13. On a much earlier visit in 1985, Barry Collin photographed these cows under the old First Chairlift.
