Barry Eastick Postcard Selection

Steam train to Glion.

Brünig Pass.

Gotthardbahn.

Brunnen-
Morschach-Bahn.

Mount Pilatus - Wolfert viaduct.

Amongst a job lot of Swiss items purchased at an auction by member Barry Eastick were a number of very old postcards, including 37 that have a railway significance. Most date from the early part of the 20th Century, though only a few were written and postmarked and even then the postmark dates were hard to decipher. Barry kindly lent them to our Photo Editor who scanned them into the SRS archive and here is just a small selection. 

Rigibahn.

Pilatus Bahn.

Rochers de Naye.

Mont Pelerin
Funicular.

Bürgenstockbahn.
