4. This view over the yard at the west end of Bern HbF does not show Switzerland at its best. Whilst the overhead electrics can be great for reducing environmental pollution, it's not so great for visual effect.

5. To celebrate his wife's birthday, our Swiss correspondent, Bryan Stone, chartered this magnificent Saurer 26 seat Tourer of 1950, registered in Nunningen, Canton Solothurn and took some of their friends for a day out.

6. BDE 4/4No 5 connects at Le Locle with SBB 524 005 operating a shuttle to La Chaux-de-Fonds. This is one of the few 524s to have escaped from the TILO services around Bellinzona. (The only interesting thing about it probably!).
