College of Environmental Design

Architecture and city planning

The architecture and city planning programs are seeking applications for faculty positions beginning in the fall of 1984. Applicants should possess at least professional and academic experience.

Positions are available in the following areas:

- architectural design studios
- city planning studios with emphasis on physical design
- architectural history and theory
- planning theory, transportation and infrastructure systems
- teaching/research position in computer graphics

Language of instruction is English.

Minimum regular contract for two years, renewable. Competitive salaries and allowances. Air conditioned and furnished housing provided. Free air transportation to and from Dhahran each year. Attractive educational assistance grants for school age dependent children. All earned income without Saudi taxes. Ten months duty each year with two months vacation with salary. There is also possibility of selection for the University's on-going summer program with good additional compensation.

Apply with complete resume on academic, professional and personal data, list of references, publications and research details, and with copies of transcripts and degrees, all in English and in twofold, including home and office addresses and telephone numbers, to:
